

## **Job Description**

### **Job Role: Ten-Pin Bowling Assistant – (Full Time)**

The role will be to ensure that bowling equipment and the lanes are maintained to a high standard, ensuring customers have the best possible bowling experience when they visit the centre.

### **Key Responsibilities**

- To carry out preventative maintenance on bowling equipment and lanes, training will be provided
- Bar work to serve customers with refreshments
- Ensure that when breakdowns occur action is taken to organise and/or carry out repairs
- Inform the site management team of any major faults or lanes out of service
- Participate and support our positive, friendly atmosphere
- Greet customers at reception, operate the booking system and tills
- Serve customers on the lane or when they're hosting a party group booking
- Strive to constantly achieve the highest operating standards and comply with all company

policies and procedures and ensure your own safety

### **Experience**

Candidates will be required to warmly welcome visitors in a professional and friendly manner ensuring outstanding hospitality customer service delivery to every visitor. Full technical training will be provided to maintain 10-Pin bowling equipment.

This is a full-time role requiring weekend work and evenings a week, hours negotiable. Candidates must be over 18 years, licenced bar work is required, bar experience not necessary as training will be provided.
